The Edinburgh Festival is on during these weeks so please book your accommodation early as the city will be very busy. Of course as a result there will be lots to see and do in the evening if you have any energy left!

The Summer School will take place in the Art and Textile department of Edinburgh's Telford College. (www.ed-coll.ac.uk). The brand new campus opened for business at the beginning of this academic year and we will have the opportunity to use their spacious and bright studios.
